PERMIT LADIES TO REMOVE HATS.

Male Teachers Reciprocate for the Shirt-Waist Privilege.

Last evening Professor W. W. Black lectured on "Art in Everyday Living."

Officers of the institute were announced yesterday by Professor Charles Hartel as follows: President, W. J. Hanson, Belleville, Ill.; secretary, J. D. STYLISH WAIST SUIT.

Shirt Waist Costumes Are Supplanting Blouse Dresses for School and Afternoon Wear.

Girls' Shirt Waist Costume, No. 826—Shirt waist suits are, in a way, taking the place of blouse costumes for school and afternoon wear. They are stylish, comfortable and a decided change from the usual mode of dress for little girls.

The suit illustrated consists of a boxplaited shirt waist of light blue betiste and a gored skirt of blue and black plaid. The waist is simply adjusted with shoulder and underarm seams, having three box plaits back and front. It closes in the front with turquoise buttons and button-holes worked through the center box plait. The plaits are stitched on the edges to give a tailor finish to the waist.

A standing collar completes the neck, and fastens on the left side.

The waist is drawn down straight in the back, but blouses slightly in front over the narrow leather belt.

The waist may be made of wash fabrics, and the skirt woolen, or the entire suit of summer goods, as preferred.

To make the costume for a girl it years will require three and one-eighth yards of 30-inch material for the waist, and one and three-fourths yards of same width material for the skirt. The pattern, No. 829, is cut in sizes for girls, 6, 8, 10 and 12 years.
